

WORTHY PARTS

2021 CAPABILITY STATEMENT

OUR STORY

WHERE IT ALL STARTED

Established in 2014, Worthy Parts is an internationally recognised company for sourcing and selling parts, components and machinery across the mining, earthmoving and construction industries.

The Worthy Parts sales team comprises of qualified tradespeople with diverse industry experience. We operate out of multiple locations and offer unique buying and selling solutions to our global network which includes Africa, Canada, Europe, Indonesia, South America, UK, and the USA.

OUR MISSION

To act with **transparency** and **integrity** in providing **wholistic solutions** for buying and selling parts, components, and machinery.

By building a strong network of suppliers and clientele, we strive to be flexible and reliable to ensure we solve our customers' needs.

Our motto has always supported this vision and direction...

FIND THE PARTS YOU NEED SELL THE PARTS YOU DON'T

OUR HISTORY

2014

WORTHY PARTS LAUNCHES

The journey begins with a website to showcase the parts and machinery Worthy Parts can offer. An easy to navigate platform that allows our customers to get in touch with one of our experienced sales team.

2016

GOLDFIELDS BUSINESS AWARD WINNER

Worthy Parts were fortunate to win the 2016 Goldfields Business and Employee Awards – Business with 5 to 10 Employees, hosted by the Kalgoorlie-Boulder Chamber of Commerce and Industry.

2017

WORTHY PARTS JOINS IEDA & REACHES A MILESTONE

Worthy Parts join a trusted group of machinery dealers from around the world, allowing us to keep up-to-date with the industry on a global level. We reach a new milestone with 500,000 website visitors.

2018

OUR FIRST WPIL AUCTION & EXPO

Worthy Parts, together with Industry Link Media, launch our very first Auction & Expo. A two-day event in Kalgoorlie-Boulder, showcasing over 100 exhibitors to more than 3000 visitors.

2019

THE MINING LEGENDS PROJECT

The Mining Legends Project was founded to support Miners' Promise and other community charities. With the help of many generous donors across the mining sector, we were able to rebuild a CAT R2900G Loader and raise around \$800,000 for charity.

To coincide with the second WPIL Auction & Expo, The Mining Legends Project concludes. A Gala Ball was held to thank all the donors and announce the total funds raised.

2020

WORTHY PARTS ADDS TWO LOCATIONS

Our Perth branch begin operations at a physical office and workshop at 7 Marmalade Way, Maddington. In addition, another facility is added to our growing business in Coolgardie, Western Australia.

These locations provide us with additional space to store machinery and parts, with larger workshop facilities and yard capacity.

OUR DIFFERENCE

OUR TEAM

The Worthy Parts trade qualified sales team, have diverse industry experience. We are members of the highly reputable Independent Equipment Dealer Association and can travel worldwide to meet our clients' needs.

ASSET DISPOSAL

Worthy Parts provide professional advice and work with clients on agreed asset disposal values.

SERVICE EXCHANGE COMPONENTS

We aim to deliver effortless and time-efficient solutions to ensure minimal impact to our clients.

NEW GENUINE & AFTERMARKET PARTS

The Worthy Parts supply and warehouse facilities store a range of aftermarket parts ready to reduce downtime.

USED PARTS & COMPONENTS

We source and supply numerous parts and components across a wide range of industries.

MACHINE DISMANTLING

Worthy Parts dismantle machines to recycle parts and components, this provides alternative supply solutions.

USED MACHINES

Worthy Parts acquire low-hour and used machines to keep production and output improving.

PROCUREMENT

Worthy Parts offer national and international sales solutions for parts and machinery.

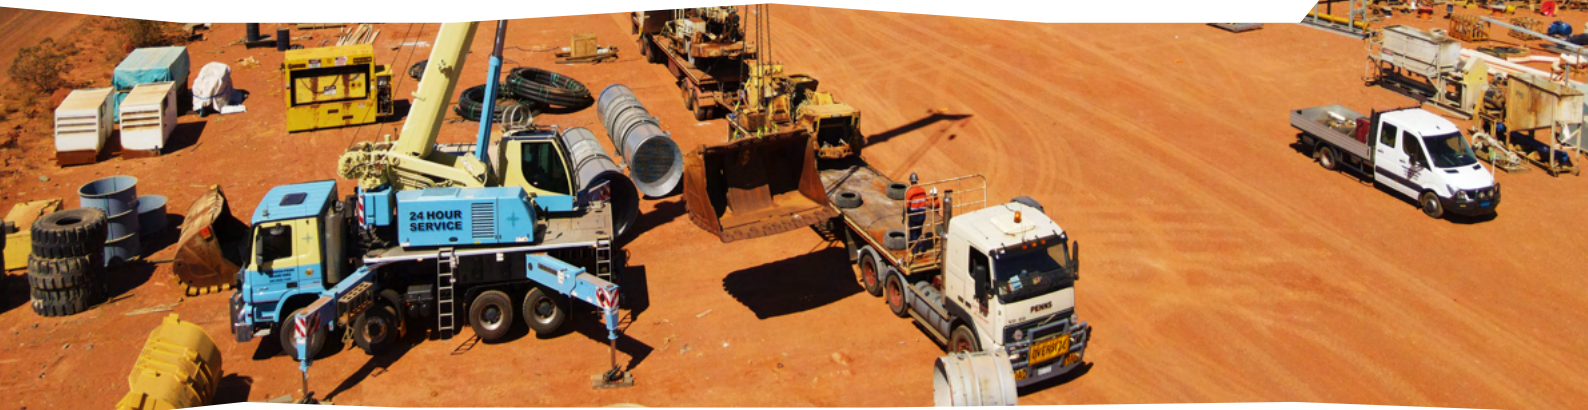

FREIGHT AND LOGISTICS

Worthy Parts provide quick removal of assets from site, with internal capabilities, alongside advanced external relationships.

OUR DIFFERENCE ASSET DISPOSAL

Worthy Parts **key area of business** is acting as an alternative solution to asset disposal.

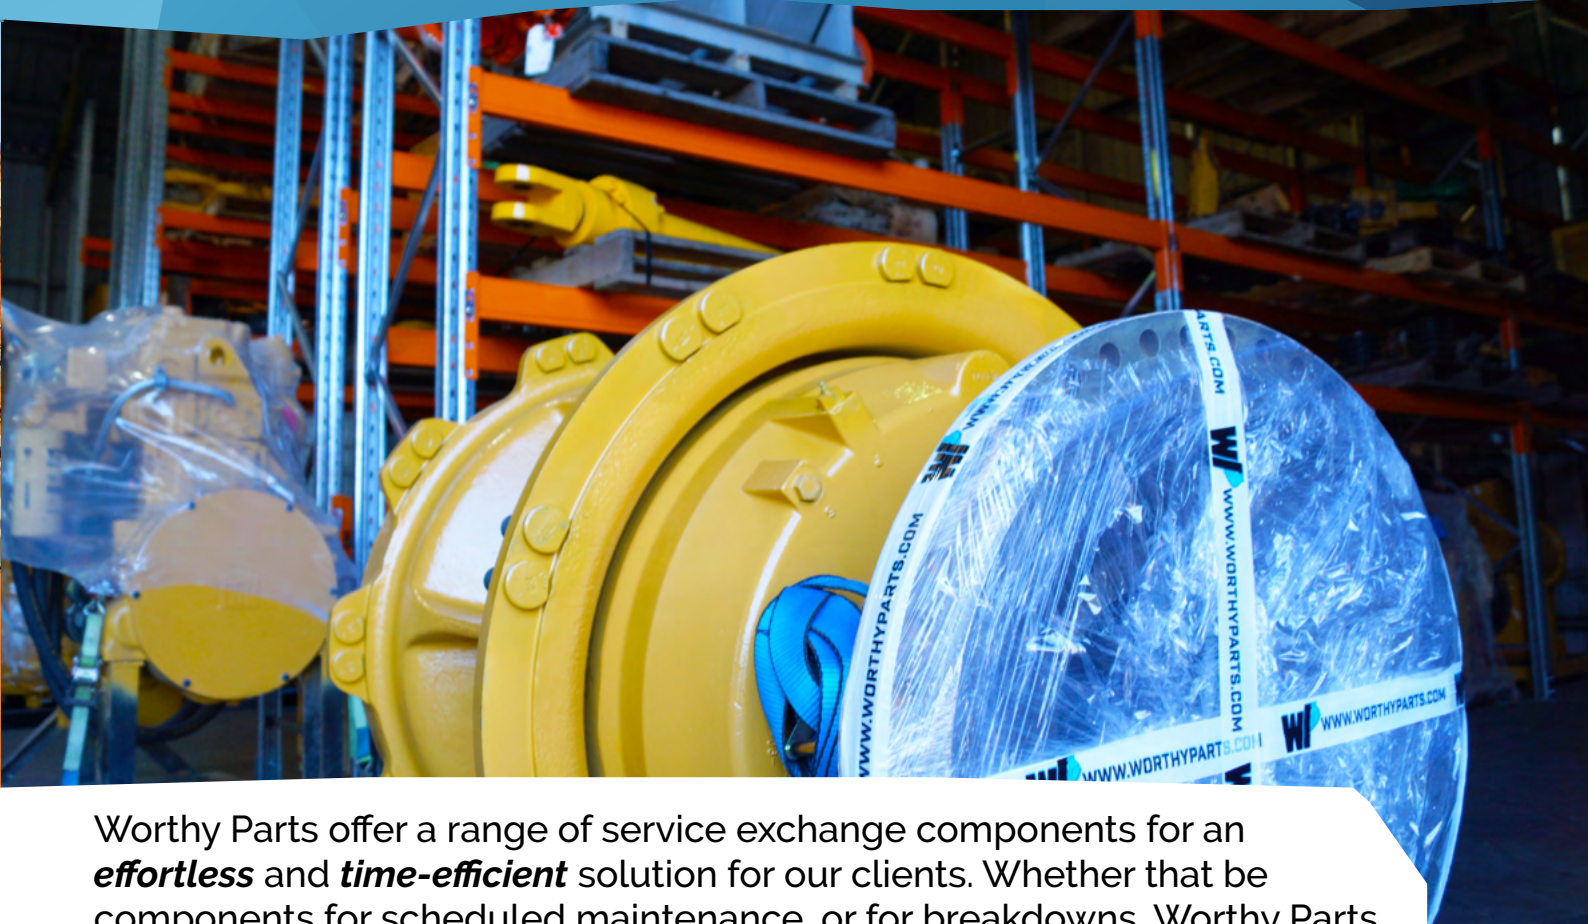

We understand that each customer and asset disposal package is unique. Therefore, we accept and offer different solutions to maximise value for our client. Worthy Parts can **purchase redundant assets** at an agreed value or **tailor a solution** under a consignment agreement to our sales platforms.

Worthy Parts point of difference is we provide ***qualified valuers, mine site trained and inducted labour, logistics services, and mine site clean-up.*** This wholistic approach to asset disposal enables a hassle-free solution for our customers to ensure safety and transparency.

OUR DIFFERENCE SERVICE EXCHANGE COMPONENTS

Worthy Parts offer a range of service exchange components for an **effortless** and **time-efficient** solution for our clients. Whether that be components for scheduled maintenance, or for breakdowns, Worthy Parts is on hand to **reduce downtime** for our clients whilst providing **savings on the cost of replacement parts**.

OUR DIFFERENCE NEW GENUINE & AFTERMARKET PARTS

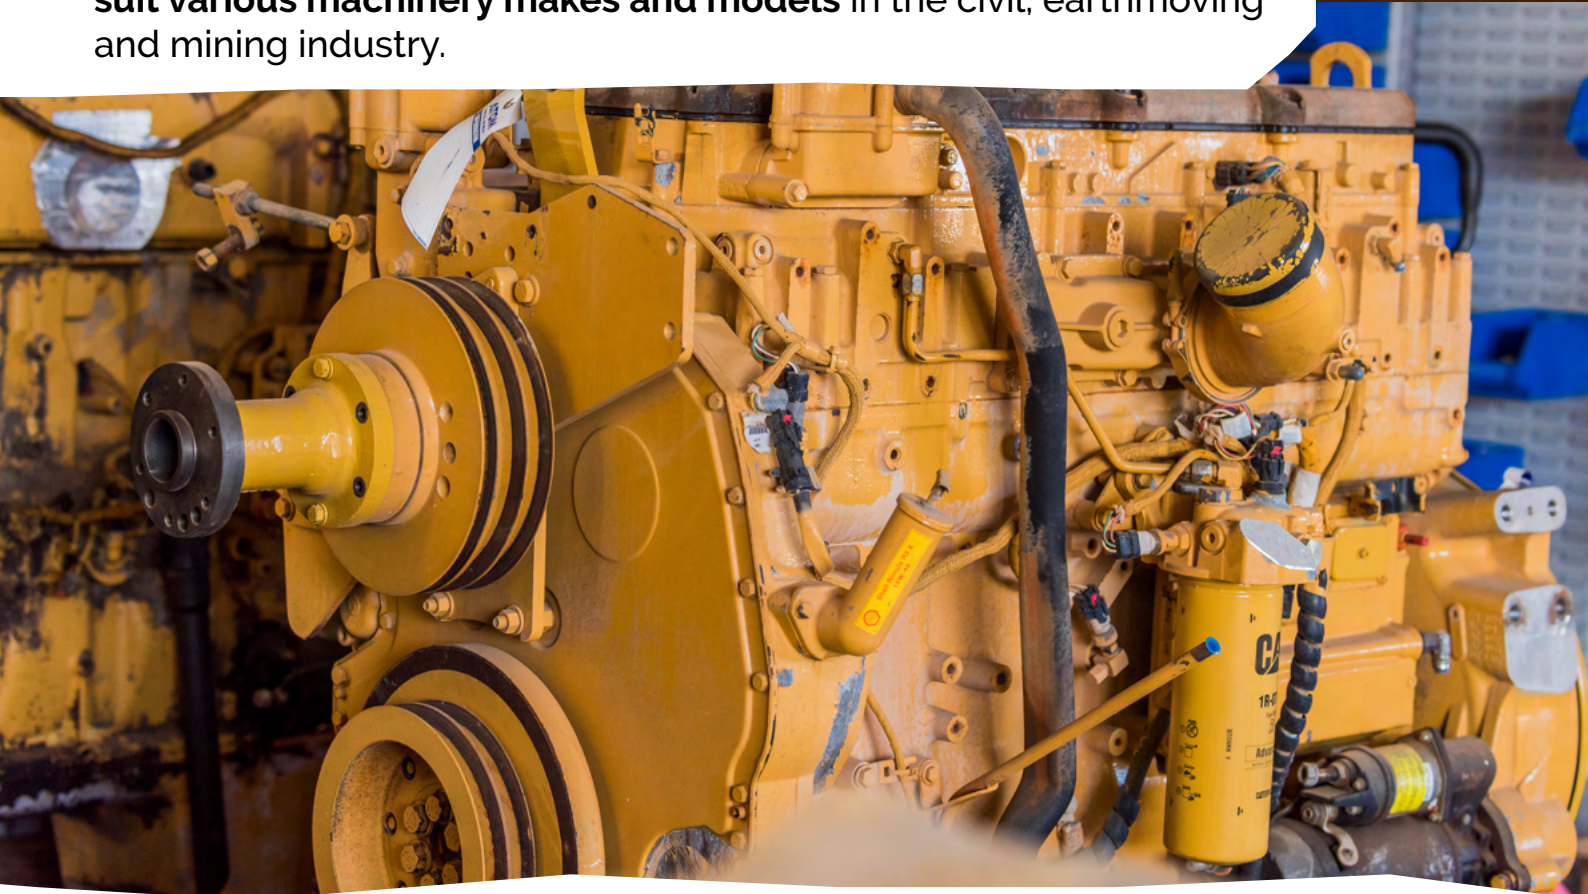

Worthy Parts provide a wide range of new genuine and aftermarket parts and components. With an ***extensive network of suppliers***, we can meet our clients' demands to ensure minimal downtime.

OUR DIFFERENCE USED PARTS & COMPONENTS

Worthy Parts source and supply used parts and components to **suit various machinery makes and models** in the civil, earthmoving and mining industry.

OUR DIFFERENCE MACHINE DISMANTLING

Worthy Parts have **four yard and storage locations** throughout Western Australia. Our team has dismantled hundreds of underground and open pit machines including ***Caterpillar, Komatsu, Hitachi, Sandvik, Epiroc, JCB, Volvo, Liebherr and Normet.***

OUR DIFFERENCE USED MACHINERY SALES

Worthy Parts **buy, sell and source** low-hour and used machinery nationally and internationally. Our expert sales team, travel far and wide to source hard to find machinery to suit our clients' requirements. With the added benefit of a Motor Trade Association of Western Australia dealer license, used roadworthy minesite vehicles can also be bought and sold via Worthy Parts.

OUR DIFFERENCE PROCUREMENT

Worthy Parts comprises of ***qualified tradespeople*** with ***diverse industry experience and expertise***. We deal in all brands and have developed a strong network of suppliers to enable us to find the right solution for our clients.

OUR DIFFERENCE FREIGHT & LOGISTICS SERVICES

To complement our purchasing and sales, Worthy Parts can offer clients ***freight and logistics services*** utilising our team of experienced operators.

To ensure a ***hassle-free experience*** for our clients, Worthy Parts can provide several freight options. We have our own fleet of transport vehicles or alternatively, we can organise the logistics through our reliable suppliers.

OUR COMMUNITY

Lending a hand...

Worthy Parts are at the forefront in **supporting our community**. We are strong advocates for giving back where we can and are proud to sponsor various clubs and organisations.

MINING LEGENDS

A Worthy Cause...

The Mining Legends Project is an initiative that aims to provide significant proceeds to organisations such as Miners' Promise and various community charities, throughout the Goldfields and surrounding mining regions.

With the help of many generous donors across the mining sector, our first Mining Legends Project was completed in 2019. We were able to completely rebuild and sell a CAT R2900G Loader and raise **\$800,000 for charity.**
